

## 2022 - A YEAR OF FRIENDSHIP

Hello Compeer friends!

As we move from the end of one year and the beginning of the next, let's take a moment to reflect and remember the fun times we had this year with our Compeer friends!

This year saw a return to the normal we're used to enjoying. Throughout 2022, we have been able to gather together again and enjoy each other's company more and more. From enjoying an early morning fishing trip with CompeerCorps to the start of our wellness walk program, we've been busier than ever creating fun events for our Compeer friends to connect and enjoy each other's company.

So as 2022 comes to an end to make way for 2023, take a moment to think about all of the fun times we've had this year and appreciate the friendships you have been able to cultivate. Now, onward to 2023 and beyond!

## FAREWELL TO KENDRA!

As most of you are no doubt aware, we have sadly had to say goodbye to Kendra Elliott, who has moved forward in her professional career. Kendra is a bright and shining spirit that used her business knowledge to help further Compeer throughout her 3-year tenure.

Under her time as executive director, Compeer began its popular veteran breakfast program, started a youth mentoring program for Lebanon county schools, and navigated a global pandemic, coming out stronger than ever. Cheers to Kendra, and good luck with whatever is in store for you next!
